## Newsletter for January

Welcome back after the Christmas holidays. I am sure all the children enjoyed the rest after a very busy term. This term will be already looking extremely full.

### Worship Warriors

Our Ethos team are working hard after school on Thursdays to enable them to deliver assemblies each Monday. We are really impressed with their confidence and commitment.

### Clubs

We have had another positive take-up on all the after school clubs we offer. Bookings are now closed and we are unable to take any more names until the next round at Easter.

### The School of Military

Our Year 5 children are working with The School of Military this term. The children will be working to develop their teamwork and problem solving skills through lots of practical tasks.

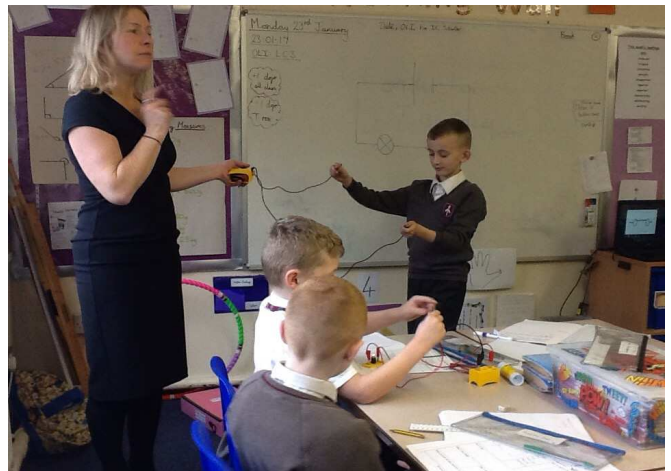

## Life Bus

We had a visit from the Wigan Life Bus on the 12th and 13th of January. During the 2 days all classes went into the bus to complete tasks regarding PSHE. The staff were extremely impressed with the children's excellent behaviour and their understanding of the topics covered.

## Super Science

Year 4 have started to work with Mrs Hillidge this term. They have been investigating conductors and insulators of electricity.

## Parent Group.

Mrs Lockwood's parent group have been carrying out lots of different STEM challenges this half term.

## Dates for the Diary:

All Thursdays School of Military working with Year 5.

7th February E-Safety workshops for Years 2-6.
