November Newsletter

Showing How Much We Care.

We pride ourselves on the fact that we care about those people who are struggling and are less fortunate than we are. In November we have supported the Samaritan's Purse shoebox appeal, and we all wore something spotty for Children In Need.

Sporting Successes.

The children have taken part in a range of sporting activities since the start of the year. Our Year 2 football team played in a tournament at Leigh Sports Village and made it to the quarter finals. We have entered Year 5 and 6 children into local hockey and basketball competitions and some of the Year 6 children took part in the cross country competition too. Well done to everyone who has represented us so far.

Outstanding Homework.

Feedback from parents and pupils has shown us how much everyone is enjoying the new homework system we have in place. Below are 2 outstanding examples. Joshua created a working volcano, complete with pump, and Darcy produced a model of the Titanic. Well done to everyone for the extra work being done at home, and thank you to all family members for supporting the children with their projects.

Year 5 visit to Speke Hall.

On Tuesday 21st November Year 5 went to visit Speke Hall in Liverpool to find out more about the Tudors. During their visit they found out about how the Tudors lived and ate. They also tried on some of their clothing and practiced Tudor dancing. The children also looked at the lack of hygiene during Tudor times. The Tudors tried to cover up their smells by making pomanders which our children also made.

Dates For Christmas

Please keep your eye on the school website, Facebook page and in children's bags for letters regarding arrangements for the Christmas activities in school.
