Dear Parent/Carer,

Following a review of our current catering costs, Metrofresh have announced an increase to the price of a school meal. This will increase the cost of the set meal (comprising of a main meal, desert and drink) to £2.30 with effect from 1<sup>st</sup> April 2018.

Unfortunately the school has no influence over the cost of school meal prices as they are controlled by Metrofresh.

School meals continue to offer good value for money and provide a nutritionally balanced meal which will help your child prepare for the afternoon ahead.

If you think you may be entitled to free school meals please ask at the school office for a form. Not only will this allow your child to access a free hot meal every day, it will also provide the school with an extra £1320.00 per year in pupil premium money to be spent on your child.

Many thanks

Mrs Woods  
Head Teacher
