March Newsletter

Asda Tokens

A massive well done needs to go out to our wonderful PTA for entering the Asda Green Tokens Scheme. We came first and were awarded £500.

Experience Easter

All the children in Key Stage 2 visited church to take part in the Easter Experience. They followed each stage of the story, listening, singing, and making things as they went through. The children had a great time and we were extremely grateful to all the volunteers from St Thomas' Church who gave up their time to work with the children.

World Book Day

The children loved coming to school dressed as their favourite book characters for World Book Day. There were some fantastic outfits. Throughout the week the whole school looked at the book Lizzie and the Birds by Dawn and Mick Robertson. Lots of writing and discussion came from this book.

As always with World Book Day the children have all received a £1 voucher which can be used towards the cost of a book.

Let's Sing

On Monday 18th March our school choir performed at Let's Sing which was held at Robin Park Arena. They were joined by children from all the Golborne and Lowton schools. The concert was fantastic and all our children were amazing. Well done to Ella Washington and Elizabeth Upton in Year 5 who performed solos. A massive thanks must go to Mrs Lockwood and Mrs Christmas for all their hard work teaching the songs to the children. Also we would like to thank all parents for their support, helping the children learn their words and coming along to support the event.

Year 3 Winter Warmer

On Wednesday 6th and Thursday 7th March the children in Year 3 had their Winter Warmer residential visit. On Wednesday they spent the day at The Smile Centre in Warrington with Active Hope. Lots of teamwork was needed for all the challenges the children had to complete. They then came back to school for their sleepover before their adventures in Delamere Forest on Thursday. All the children had a fantastic time and we were impressed by their levels of independence.

Year 5 and 6 Residential to Low Bank Ground

36 children from Years 5 and 6 spent a week at Low Bank Ground OEC in Coniston. During the visit they took part in many activities including; canoeing, kayaking, orienteering, walking and climbing. We were all proud of the children's attitudes and efforts during the week. Everyone learned new skills and challenged themselves throughout the week. The staff at the centre loved working with us and we are looking forward to visiting again next year.

Diary Dates for April and May

- 5th April—Easter Egg competition
- 5th April - Break up for Easter
