May Newsletter

May has been an extremely busy month in school and we can't believe we are about to enter our last half term of the school year. The children have been enjoying their exciting curriculum and enrichment opportunities.

Well done Years 2 and 6

All the children in Years 2 and 6 have completed their SATs tests over the past few weeks. We have been extremely impressed with all their hard work and positive attitudes. Well done!

Mental Health and Wellbeing

As we all know it is important to have a healthy mind as well as a healthy body. The children in Year 3 are enjoying their work with Martyn from Motivated Minds. So far they have looked at getting along together, how to help each other and also respect and tolerance of different groups of people.

Football Success

Well done to a group of children in Year 3 who took part in a football tournament. They came 5th overall. The children played against schools from Leigh, Lowton and Golborne throughout the day. Mr Sparks was impressed with the teamwork and enthusiasm of the children.

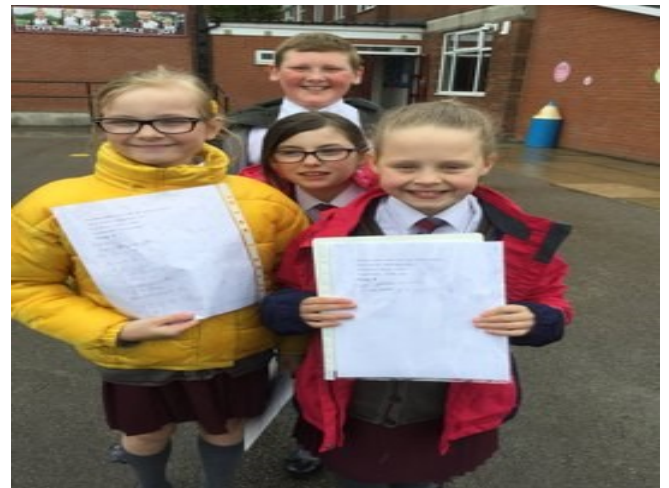

Year 2 Habitats

We have had some fantastic habitat creations from the children in Year 2.

French Fun

All classes learn a modern foreign language in school. Our Year 5 children really enjoyed the challenge of using French directional language to write clues for their friends to locate different places around school.

Year 1 Fairy Forest Visit

The children had a great day in the woods with the Fairy Forest team. During an action packed day they enjoyed outdoor cooking; toasting marshmallows and popping corn. The children had to find different fairy tale creatures hiding in the forest and then build homes for them.

Dates for June

Monday 3rd— School starts back after half term. Year 2 visit to Pretty Pool OEC.
