## September Newsletter

### Welcome Back

It has been lovely to have all our children back in school again. We are all extremely impressed with how well they have settled back into school routines and their new classes.

### Our New Reception Class

The children have really settled into St Thomas' School well. They told us that they couldn't wait to start school. We have seen lots of happy smiling faces in the mornings as they arrive. The children are loving all the new, exciting challenges and activities we provide. Their new friendships are already starting to develop. Well done to all the children and parents for such a brilliant start.

We were all disappointed not to be able to hold our usual coffee afternoon and cake sale to support MacMillan. We did however manage to raise almost £200 through holding the non-uniform day. Thanks everyone for your support.

### Year 3 Stone Age Day

The children in Year 3 had a brilliant day in school exploring life in the Stone Age. The children were hunter gatherers, using the bows and arrows to capture their prey. They made fruit stew over the fire and also made clay pots.

### Covid Safety

As you know we take the safety and well-being of our staff, pupils and parents very seriously. This is why we are now asking all adults dropping children off in the mornings and collecting at home time to wear a face covering please.

We are asking parents to only arrive at school at the designated start time for their child. Numbers on the playgrounds need to be as low as possible.

Please don't send children into school if they are displaying any Covid symptoms, or if any household member is displaying symptoms. Once a negative test result has been obtained your child needs to return to school. We are asking to see negative test results.

Any children who come into contact with a person testing positive must self-isolate for 14 days.

If your child tests positive please inform school immediately.

Please keep school fully updated for all matters.

Thank you for your support.
