Dear Parents,

As you are aware the safety and welfare of our pupils, staff and families is always a priority at St Thomas'. We work hard to keep everyone as safe as possible.

Despite our staggered start times for classes, the playgrounds in a morning are becoming quite congested. We have therefore made a few changes which are outlined in this letter.

Drop off times remain unchanged:

8:40am Years 1, 3 and 5

8:50am Years 2, 4 and 6

9:00am Reception

From Monday the gates on the junior playground must only be used to drop off children in Years 3, 4, 5 and 6. Please queue at the edge of the playground. In order to avoid congestion please only join the queue at the drop off time for your child. To exit the school site you will then walk across the playground and exit through the double gates located at the end of the infant playground. If your child comes to school by themselves they must not arrive before the time for their class. They will also have to join the queuing system.

All children in Years 1, 2 and Reception will enter through the shuttered area. You will only be able to enter through the single gate to form a queue. Once again please do not join the queue until the drop off time for your child. It will not be possible to stand on the playground to wait for your child's drop off time. To exit the school site you will also need to go through the double gates located at the end of the infant playground.

We expect all children to stand with the adult who has brought them to school until staff ask them to come into the building.

Home time remains unchanged, however we ask that as soon as you have collected your child/ children you leave the school site quickly. Please ensure your child/ children stay with you until you have exited the site.

Thank you for your continued support.

Yours Sincerely

Mrs Woods
