Our Value for March is Love

Low bank Ground Residential

From March 11th to the 15th a group of children from Years 5 and 6 took part in a residential visit to Low Bank Ground Outdoor Education Centre in Coniston. During the week the children took part in lots of activities on the lake and also in the woods and on the mountains. Despite some extremely wet weather the children had a great time and tried many activities for the first time.

Don't forget the Easter Egg competition. All entries need to be brought to school on Thursday morning.

Experience Easter

We were extremely grateful to the volunteers at St Thomas' Church who set up the Experience Easter story in church. We took the children in Years 2 and 4 across and they were able to find out all about the events up to and after the crucifixion.

Goodbye and Good Luck.

On Thursday we say goodbye to Mrs Bannon and Miss Atherton. As you know Mrs Bannon has secured promotion to another Wigan school. We would like to thank her for her 14 years of dedication to St Thomas' School and wish her all the best for the future.

Miss Atherton has been covering Miss Maloney's maternity leave. Miss Maloney will be returning after the Easter holidays. Again we would like to thank Miss Atherton for all her hard work and wish her good luck.
