

St Thomas' Church of England Junior and Infant School

Newsletter—24th May 2024

Our Value for May is Courage.

Year 4 Camping trip.

The children in Year 4 had a fantastic time camping on Monday and Tuesday. They had the opportunity to sleep in a tent with their friends and enjoy lots of different activities. These included raft building, giant paddleboarding, a low ropes course and a climbing wall. In addition to this they enjoyed a campfire with songs plus the excitement of exploring the forest. We were impressed by their determination and resilience during all the activities. We were also extremely lucky with the weather.

Year 6

We were extremely proud of the Year 6 children last week throughout their SATs tests. They tackled each one with determination and an excellent attitude. There was 100% attendance from all the children. To celebrate the end of the tests the children enjoyed a pizza party on Friday.

Visit from our link school.

The children in Year 5 have linked with St Andrew's School in Bolton this academic year. The classes have already met on a few occasions and messaged each other. This time St Andrew's came to visit our school. The children took part in a range of sports activities. Next half term it is our turn to visit their school.

Dates for your diary.

Friday 24th May - School finishes for half term.

Monday 10th June—School reopens.

10th—14th June Year 1 phonics screening.
