

St Thomas' Church of England Junior and Infant School

Newsletter—3rd May 2024

Our Value for May is Courage.

Internet Safety.

This week the children in Key Stage 2 had workshops from Life Education Lancashire. The focus of these workshops was to look at how to stay safe online, including using apps safely. As a school we cannot stress enough the importance of regulating what your child is accessing and checking their devices regularly. Support is available to help you set up parental controls on your child's devices. This information has been shared on the school Facebook page.

Year 6 SATs

All the children in Year 6 will be completing their SATs during the week of May 13th. It is vital that the children attend school every day during SATs week and are on time every day. Children need lots of sleep and rest in the run up to SATs and also during the week itself.

Community Wellbeing

COFFEE MORNING - DROP IN

We would like to invite all our families to attend to see what your community has to offer.

- ✓ Refreshments available
- ✓ Gain support
