### Our Value for July is Hope.

#### Super cooking in Reception

Last week the Reception classroom looked like a scene from The Great British Bake Off! The children all had the opportunity to mix ingredients to make biscuits. It was lovely to see the enjoyment on their faces. Once baked, the biscuits looked delicious and the children enjoyed eating them!

#### Transition Days and Summer Olympics

On Monday and Tuesday the children were in their new classes with their new teachers. This was an opportunity for the children to get to know the staff and also the expectations for their new year group. In addition to this we used the days to showcase and explore the Olympic Games which will be starting later on this month. During the two days each class made their own flag which was then used to re-create the opening ceremony. Following this all the children took part in a mini Olympic Games on the school field.
